This is seeking a decision ^{see comments} from you on
additional funding for the Macfarlane Trust
and Lileen Trust. Run this past Norman

+ Liz for urgent obs. Cf. 28/6
Officials feel the justification for
increase is not strong but say in view
of the pressure from the Trust and registrants
you may want to allow a smaller
increase than the one requested. (I presume
we would need to run any proposed increase
past Sats).

Officials are also asking how you want
to handle the meeting with the Chairman.
