Ben,

This is fine, but I think we should include reference at the beginning to Anne Milton's October announcement (rejecting rec 6h). This will tie off the reference in the letter to greater 'compensation' and address what has happened since the Aug letter from SofS.

Thanks,
Debby

Dear Ben,

Grateful for a line on requests for a public apology for contaminated blood products.

Thanks,

Bilal Ghafoor - RH - [REDACTED] **GRO-C**

In accordance with Ministerial preferences, please ensure that your contribution is written in plain English and kept as brief as possible, whilst still answering the question raised. The tone should be suitably sympathetic for sensitive letters, especially if the Department is not able to help.

If you think you have received this request in error, please inform the sender ASAP. For

technical issues please contact Nick Rees (**GRO-C**) or Katy Dyer (**GRO-C**).
Thank you.
