HIGH WYCOMBE HAEMOPHILIA CENTRE

The Centre

1. The Haemophilia Centre at the Wycombe Hospital was designated as centre number 33. A UKHCDO report, produced for the Inquiry, states that the National Haemophilia Database holds treatment records for the Centre between 1985 and 1998.¹
2. The Inquiry has been unable to identify any annual returns or other documents which provide information relevant to the Centre's operation in the 1970s (if it existed at that time) or the 1980s.
