Dear Mrs GRO-A

The NSSC met yesterday and considered your request for a grant of £1,000 to cover some of your debts and a loan of £10,000 to help with other debts that you have. I am sorry to inform you that the Committee have declined the grant but they have agreed a loan of £10,000 to be secured on your property and for your outstanding loan to also be secured on your property.

The Committee are aware that you are worried that you will lose your property should you have a loan secured on it but they have reiterated that payment of the loans will only be required once the property is sold. If you are in agreement with this proposition, please contact Linda Haigh (Finance Manager), who will make the necessary arrangements.

The NSSC noted that you may be entitled to benefits and have suggested that a referral can be made to Neil Bateman (Specialist Benefits Advisor) who can assist you with this. Please complete the tear-off slip below in relation to this – a FREEPOST envelope is enclosed for your response.

Yours sincerely

GRO-C
