Dear Harold

HCV : DONATION TESTING

Picking up the pieces after last week's near disaster up here.

Could you please:

1. Give me a date when all 2nd Generation Test Study data will be on your desk.
2. Give me the date when the Report (on the 2nd Generation Test Study) will be completed and the recommendations sent "to the Minister".

Kindest regards

Yours sincerely

2.

P.S. - Congratulations on the HCV discussions last Friday.
May I suggest you write to Jean Pierre Allain to see,
among other things, if he will establish a UK BTS
prospective and look-back study as soon as possible.
I'm keen to lock an SNBTS team into the programme and
time is short!
