\*Recipients of the Infected Blood Scheme Northern Ireland received backdated payments in March and April 2020 to bring their total payments for 2019/20 in line with those made in England. In August 2020 the Department of Health in Northern Ireland confirmed that the enhanced payment levels would "continue into future years".

\*\* In March 2021 it was announced that bereaved partners in Northern Ireland would receive 75% of partner's payments indefinitely, instead of the £10,000 one-off lump sum.

\*\*\* for coinfectd total lump sum is £70,000.
