INFECTED BLOOD INQUIRY

ADDENDUM TO WRITTEN STATEMENT OF **GRO-B**

I, **GRO-B** will say, further to my previous statement dated 20th March 2019 as follows: -

Clarification

1. In paragraph 8 of my statement, I say that I believe Dr Frank Hill became a Lord after his retirement (or received some form of title) for his contribution. On reflection, I think I was mistaken in my belief that Dr Hill became a Lord. I now believe it likely I got him mixed up with another person mentioned within some legal documents. However, my statement that Dr Hill was my Consultant at Birmingham Children's Hospital for all the time I was there is absolutely correct.
2. I would also like to add that I was only identifying Dr Hill and not accusing him of anything.
3. Separately, in paragraph 213 of my statement, I say that I started receiving stage 1 monthly payments from the English Infected Blood Support Scheme ("EIBSS") from 2011. This is an error. I started receiving stage 1 monthly payments in 2016.
