Hi GRO-B

Thank you for your email.

Unfortunately, as with the Minister's meetings in December, we're not able to accommodate attendee's legal teams also attending.

I hope you can understand and I look forward to seeing you tomorrow.

Kind regards,
Hannah

Hello Hannah

Thank you for your email and the information within.

I would like to confirm that it will be myself on the meeting on Thursday with the Minister.

And as a matter of course, I would like to request my legal representative be allowed to attend with me, purely to take notes.

Thanks and best wishes

GRO-B
