Prof Christopher Ludlam (1325999)		CONFIDENTIAL													N/A - File 2005/1881 contains a request from GRC-A for a review of the closure decision. Draft signed letters to GRC-A and Prof Ludlam dated 28/2/2007 stating that a R12 review would take place. Appears that those letters were not sent. Letters sent to GRC-A and Prof Ludlam dated 13/4/2007 noting that the President had decided not to undertake a R12 review of the closure decision at that time due to the Archer Inquiry and that the GMC would revisit the matter following conclusion of the Archer Inquiry. No further correspondence on file.
