**SUNDAY TIMES CAMPAIGN: COMPENSATION FOR HAEMOPHILIACS WHO
HAVE CONTRACTED AIDS**

I let Mr Davey have on Friday a copy of the briefing note that went forward to No.10 on Thursday in response to the attached note from Mr Baker's office.

Mr Canavan

This minute (presumably) crossed with mine. I will minute Mr Heppell to confirm the action we have in hand, but meanwhile I think we need to review where we are (re (x)) on preparing a defensive briefing book. Incidentally, I'd like a copy of the briefing you produced for No.10.
