Subject: Re: Section 64 Submission from PHCQ Directorate 

Catherine

Thank you for this submission. PS(PH) has now agreed most of these proposals. Questionmarks indicate those bids she would like more information on. Where a branch has a queried bid, I am afraid we need to wait for her further response before signing off in case she wants to reconsider priorities.

**PH1** - Content with all bids, except 348 Child Accident Prevention Trust where she would be grateful for further information.

## PH2

Breast Feeding Network	283	✓
Cycle West	077	?
La Leche League	179	✓
National Heart Forum	667	✓
The Association of Breast Feeding Mothers	034	✓
The British Dietetic Association	412	?
Weight Concern	391	?

**PH3** - Content with all bids.

**PH4-TPU** - Content with all bids except Blackliners where she is not clear how this tallies with our recent emergency funding and would be grateful for further information.

**PH5** - She has noted that there are no new recommendations and is content with the rejections.

## PH6

Eileen Trust	062	✓
Human BSE Foundation	415	✓
Macfarlane Trust *	060	✓
Meningitis Trust	303	✓
<b>either</b> Hepatitis C Trust	477	?
Hepatitis C Trust	476	?
<b>or</b> Mainliners Ltd	661	?

She would also like more information on the Haemophilia Society and Friends for Life bids.

 **PH-CQEG** - Content with all four bids assigned to her for decision (ISSUE, CHILD, NGDT and Progress).

With thanks  
Mary
