Dear Miss GRO-A

Your late Mother's Estate

We refer to the above and write to advise that we assisted your Father in the administration and winding up of your Mother's Estate.

We have recently heard from David Body of Irwin Mitchell the principal English solicitor instructed in the case that the vCJD Trust are not paying any of the legal fees including obtaining Confirmation. There are fee notes and work outstanding in addition to what has been paid of £1,263.94 payment for which requires to be made by you and GRO-A

We would have to say that in respect of the executry work this flies in the face of what we (and you and other clients) understood previously from Irwin Mitchell.

We look forward to receiving your remittance in settlement of the sums outstanding.

Yours faithfully

GRO-C
