HAEMOPHILIACS WITH HIV

1. Your minute of 20 May and mine of 22 May refer.
2. I have spoken subsequently to Secretary of State's office to obtain Mr Waldegrave's views on the draft minute. Secretary of State sees this as a matter of Parliamentary procedure which needs to be done and is, therefore, content for the minute (as drafted) to be laid, though with careful attention to the timing to avoid it clashing with any other announcement of interest to the Lobby supporting the extension of compensation to the non-haemophiliacs.
