Subject: DH Press Release 12.02.03 - Provision of Recombinant Clotting  
Factors for Haemophilia Patients

Dear all

I have attached for information a copy of a Press Release we have issued today "Government invests an extra £88 million in haemophilia treatments". This announces new funding over 3 years to secure recombinant clotting factors for haemophilia patients.

If you need any further information please contact:

Charles Lister GRO-C or

Jill Taylor GRO-C
