Dear Reverend Tanner

I am very sorry that you have not received a full reply before now to your letter of 29 January suggesting a meeting to discuss the report of your strategic review.

We have now had the opportunity to look at the report in more detail and I would welcome a meeting to discuss the way forward.

I would be grateful if you would contact my diary secretary, Joanne Willows, on GRO-C to arrange a suitable time for a meeting.

Yours sincerely

GRO-C
