Dear Baroness Hayman

MACFARLANE TRUST - STRATEGIC REVIEW. FINAL REPORT

We sent you a copy of our Final Review Report at the end of January. Unfortunately, in our eagerness to get the Report to you by the end of the month, we sent you our final proof copy. We have now realised that this contained a typographical error in the date given in Paragraph 1 line 6, of the Executive Summary referring to the date the Macfarlane Trust was set up. This was of course, 1987 not 1997! This error has now been corrected, and I enclose a fresh copy of the Report.

Copies of the Report have also been sent to Dr Mike McGovern and Mr Charles Lister in the DHS Executive as well as to members of the All Party Parliamentary Group on AIDS and to other voluntary agencies and user groups concerned with Haemophilia and HIV.

The Chairman and Trustees of the Macfarlane Trust look forward to meeting you to discuss the findings of the Report in due course. Meanwhile, please let us know if you would like further copies sent to any organisation or individual we may have overlooked.

With best wishes
Yours sincerely
