Notes:

Dear Mr Giddy

Further to your e-mail Ref: TO6013666 you say "...we do not appear to have retained the documentation. Given that the litigation was settled nearly 15 years ago, it would appear that the documents have been destroyed."

I wish to ask when these documents were destroyed, as according to correspondence between Melanie Johnson to Christine Grahame MSP, Ref: PO5000023, dated 20 October 2004 Melanie Johnson states "...we have been conducting a review of the documents and we will be making the results known shortly."

I ask, how you can be conducting a review of the documents if these documents have been destroyed?

Yours
Robert Mackie
