Dear Mr Macpherson

I am writing this letter of thanks. In time I have realised how lucky I really am coming back to your college to complete my fifth year course. I just can't find a way to thank you for what you have done for me. To come back and know that you, as a college, have given me back my own trust, and to think for my self that, the trust that I have been given relies entirely on my own responsibility. Before I leave I think that it is my duty, to come and thank you personally for the help that I have been given, by members of your college staff. Many thanks for all the help, and all the best in the future with your college.

Yours sincerely

PS. Please announce this letter of thanks at the next staff meeting. To all staff and members of Lord Mayor Treloar College, Many, Many, thanks for all the help and support that you all have given to me, Good luck, and may God be with you all in the future.
